

**Licensees: Katrina-related information from Louisiana Department of Insurance**

Due to the disaster caused by Hurricane Katrina, Louisiana Insurance Commissioner J. Robert Wooley has instituted a policy of registration for all public adjusters (as defined in LRS 22:1476) doing business in the state of Louisiana during this time of great need. This policy does not require the licensing of adjusters and is only a temporary measure to insure the citizens of Louisiana are properly served. There is no fee associated with this registration.

An electronic registration form has been developed and is available by using the direct link below. The form is also on the Louisiana Department of Insurance Web page and may be printed off if necessary. Persons may fax a completed form to (225) 219-9322. Walk-ins are accepted for those in the area. No notice will be sent out advising that the registration has been received as that information can be accessed using the Company Search option at [www.lidi.state.la.us](http://www.lidi.state.la.us).
